

## **I Said Hello**

I said hello.

What did she say? Jon asked.

She said hello back and smiled. It was the kind of smile that closed her eyes with it. The best kind in my opinion and one I wish I had.

You don't think you have one? Jon asked.

Na, everything goes wrong when I do but I don't think that means I should stop.

Stop what?

Smiling. Anyways. So you know what I did?

What did you do? Jon asked.

I looked her right in the eyes..

Right in the eyes?

Yeah, right in the eyes and I told her that when she is really sad, it is only cause she'll always be a little blind to how wonderful a light she emits.

Woa.

Yea.

Did you really say that to her? Jon asked.

Of course not. But I wrote it down when I got home and made you up so I could tell someone about it.
